

Saving You Money

Your equipment does need regular maintenance to keep it operating at peak efficiency and reduce the chance of a crisis when you least expect it. Properly maintained equipment saves you money on your utility bills.

Proper Maintenance

Our highly trained technicians will perform the recommended maintenance every six months. Regular maintenance insures your equipment is operating safely and keeps your warranty current.

Discounts

If you do experience a break down, as a Viviano Maintenance Club Member, you will receive 15% off any repairs and will NEVER be charged an overtime rate on repairs.

Priority Service

As a Viviano Maintenance Club Member, you will receive priority customer status ahead of our non-club members.

Scheduling Made Easy

We will contact you either by email or postcard when it is time to schedule your next maintenance appointment

Cleanings expire after two years of purchase.
 No refunds.

Club Benefits:

- Priority Customer Status
- 15% off Repairs
- No overtime rate on repairs
